HAZARDOUS WASTE - Federal Law Prohibits Improper Disposal
If found contact the nearest police or Public Safety authority or the U.S. EPA

NYD000810986 B 177923

1. Stick completed green waste tag to bottle:

2. Place tightly capped waste container into a DOT box

3. Place top copy in box

1. Complete a Green & White Hazardous Waste tag for each waste container/bottle. **Use a ball point pen** to ensure carbon copy underneath original is legible. **IMPORTANT: DO NOT use abbreviations on labels, spell out complete chemical name, no symbols.** Peel and stick the bottom copy to the waste container. This is required for each individual item to be removed. (Labels can be requested by calling EH&S at 255-8200 or by e-mailing ehs-waste@cornell.edu).
2. Place all Hazardous Waste containers into a UN rated DOT box with proper Styrofoam or cardboard inserts.
3. Any waste mixtures or peroxide forming compounds not currently in use should be submitted for pickup every **6 months** at the latest.
